Objective

I am currently seeking a full-time position incorporating technology, sophisticated business strategies, and customer service opportunities.

Education

- **Bachelors** in Economics at Hamline University (Saint Paul, MN) Graduation: Spring 2013
- Eagan High School (Eagan, MN)

Work Experience

Physician Advocates of MN (June 2013 - Present)

Physician Advocates is a small company based out of Eagan, MN. I was hired to perform various clerical or office tasks as well as work with Apex. I began an internship here and then became hired part-time to maintain the company website.

Target Corporate Headquarters (August 2014 – February 2016)

I provided technical support to stores in a help desk environment. After six months I began training new hires as well as creating the current training material. I then transitioned onto the Mobile Device team. All ticketing was done via ServiceNow.

Web Editor - Hamline Oracle (Hamline University) (September 2010 - May 2013) While attending Hamline University I created and maintained the website for the University newspaper (www.hamlineoracle.com). After creation, I was primarily responsible for design and formatting.

Hamline Student Administrator (April 2010 – May 2013)

I worked at the front desk and handled both phone calls and walk-in traffic to the office. My office was responsible for any registration, financial aid, and student accounts issues that arose for students at Hamline. I was also responsible for training after my first year.
